Foundation and Years 5/6 Healesville Sanctuary Excursion

Dear Parents,

We are very excited to offer the Foundation and the Year 5/6 students the opportunity to visit Healesville Sanctuary. This term, all students are studying Biological Science and our visit will supplement and extend the interesting activities happening in classes. The Foundation students will be participating in the activity, 'Aussie Animal Adventure Program' and the 5/6 students will be doing 'Fighting Extinction'. We will have some time together to walk around and eat lunch or snack together. This activity supports our Foundation/Year 6 Buddies program.

This excursion is booked for **Thursday 13th June**. Due to a fantastic promotion, we have secured free entry to the zoo. The only cost is for the buses to transport us there. On Thursday, children will need to be at school **no later than 8.45am** as we will be leaving at promptly at **9.00am** and be out for the duration of the day. **The cost of the bus is \$15 per student.** The Sanctuary is an all-weather destination and students will need to be dressed appropriately, bringing a coat if necessary. Students will be required to wear their school uniform. A small backpack is preferred to carry their snack, lunch and a drink bottle with them. We will be storing our gear for some of the day.

There will be 7 staff members in attendance, and I am inviting 1 parent from each class to accompany us. Any parent who attends must have a current WWCC and cannot bring smaller children for the day. Please contact Jacqui to apply. Applicants will be put into a ballot and drawn if there is more than one from each class. If you need to contact us on the day, please call the school on 5942 5311.

Jacqui
