### PURPOSE

To explain to our school community how we manage requests for class placements, for the following school year.

### POLICY

The process that Nar Nar Goon Primary School works through to plan each student's class placement begins months before the end of the school year. We understand that in certain situations, parents and carers may like to request that their child be placed with a particular friend or in a particular class.

#### Requests for placement with friends

Nar Nar Goon Primary School recognises the importance of fostering and maintaining friendship groups. We also understand that it is equally important for students to mix and learn with peers who have different interests. Learning to work and play with others is a key social goal of schooling.

In December each year, we ask the students to nominate 3 friends they would like to be with the following year, and endeavour to facilitate that one of these friends will be in the same class.

#### Requests for placement with certain teachers

All teachers at Nar Nar Goon Primary School are caring and committed educators and we strive to ensure that all students are provided with a high-quality education.

Whilst we appreciate that you may feel that your child would benefit from being placed in a class with a particular teacher, we are generally unable to accommodate these requests. Our school's leadership team has an in-depth understanding of each teacher's strengths and will always endeavour to place our students with teachers who are best placed to suit their needs. We do not re-allocate students to different classes during the school year, unless exceptional circumstances arise. Parents will be advised of the situation if it arises.

## Requests for students to repeat a year level

Our school will follow the Department of Education and Training policy in the Department's *Policy and Advisory Library* on Year Level Movement – see [Repeating a Year Level](#) policy.

We will regularly promote students to the next year level and will exercise our professional expertise and judgment in relation to these matters. Students are only able to repeat a year level in exceptional circumstances where Nar Nar Goon Primary School considers it is required for the long-term benefit of the student e.g. considering their social, wellbeing and academic needs. We will ensure that parents/carers are advised of the options that we consider best meet individual student needs. Students will not repeat a year level without the consent of parents/carers.
