PURPOSE

Nar Nar Goon Primary School's uniform policy reinforces a pride in student appearance and a sense of school identity in the community. It enables all students to identify with and feel a strong sense of belonging to the school. The school also recognises that providing a uniform supports parents in selecting what their children wear to school. The school endeavours to provide a range of economic choices in the purchase of school uniforms.

GOALS

- To ensure student safety, security and ease of identification
- To create a sense of equality amongst students
